## Dog Fouling

We are aware that there is a problem with recurrent dog fouling in the cut. The council are aware and have plans in place to try and catch the main offenders.

## Sporting News

Well done to our footballers who came 2nd in the Northumberland School Games held this week!

We are super proud of you. Good luck for Sunday—The teams will be taking part in the South East Northumberland football league 'Finals Day' at Seaton Sluice First School. Spectators are welcome to go along and support the teams from 10am.

## NEWS

Unfortunately we have some sad news this week....

We have seen an increased number of children bringing fidget spinners and Lego cards to school. These items are causing problems at playtimes and are a distraction in class.

Therefore with immediate effect, both items are not permitted on our school site.

Please ensure that children are not bringing these items to school in coat pockets or bags.

Any Lego cards or spinners found in school will be held at the office until an adult can collect them.

We hope you will support school with this and encourage your child (if applicable) to keep these items at home. Thank you.

**New  
Class  
Alert!**

The children will be visiting their new classrooms and spending time with their new teachers on Friday 7th July (am only).

## School Meals from 26.06.17: WEEK 1

### SPORTS DAY 2017

Sports day will take place on 6th July at 1.15pm for children from Reception to Year 4.

Parents/carers are welcome to spectate and cheer the children on. We request that adults bring their own water/cold refreshments to stay hydrated—school will supply a drink/snack for the children.

### Years 3 & 4 FRUIT

It has become apparent that children are bringing boxes of prepared fruit in their lunch bags to eat at morning break time.

This is causing a huge disruption and taking up a considerable amount of playtime whilst they find their fruit boxes and forks and at the end of play when they return items to their lunch box on the trolley.

We actively encourage the children to eat fruit, however we request that children bring only a piece of fruit and not prepared boxes of fruit and berries and cutlery.

### School App—Please download and check for updates regularly.

The app contains everything you would expect in a mobile phone app. There is also a function to allow users to register on the app.

To register, please click on the cog in the top right corner of the app. The unique school code for the school is 8764.

You will be asked to put in an email address so we can verify you. When you have registered you will be able to select your preferences, choosing the year groups from which you wish to receive notifications. You can choose more than one preference.
