Christmas 2025

Thank you to everyone who came to see the Christmas performances - the children were amazing and shone throughout each and every performance.

Thank you to our Parents and Friends Association members for their support throughout the Christmas activities including serving refreshments, selling raffle tickets and providing film night. Without these volunteers, we would not be able to have such amazing Christmas activities so thank you all very much. The Parents and Friends Association also had a word with Santa who paid us a visit this week; providing each of the children with a gift. Thank you very much for organising this - although we were very concerned that Santa's sleigh and reindeer might have damaged the new roof when he landed!

Our Festival of Light was well attended and the children had a brilliant time making all of the crafts and sharing their canvases and Diva lamps with you all - thank you for supporting this. The event itself isn't designed to raise money, hence the budget activities, but rather to forge Christmas memories of the children's time within our school that they can look back fondly on in years to come, when they are older.

The children also enjoyed Christmas parties this week, thank you for ensuring that each child had their own party food - as we have reiterated before, we can no longer share food items due to the multiple and many allergies the children and adults in school have. We thank you for your support with this.

Dates for the Diary:

TEACHER TRAINING DAY:
Monday 5th January - school closed to all pupils. School resumes on Tuesday 6th January 2026.

Reading Signature Count -
Thursday 15th January - all reading Record Books are required in school for 9am.

Governors would like to remind all school users of the expectation that all adults and children speak to and treat each other with respect.

They ask that parents/carers be civil in their communications with school and do not become frustrated or rude. Please be respectful in the tone and language you use; do not raise your voice or use aggressive or threatening language or behaviour towards staff.

We will always listen to parents/carers and seek to address any issues as soon as possible, in line with our complaints procedure.
