

History

The children will learn about a significant person in history.

- They will learn about the life of **Florence Nightingale and Mary Seacole** and the influence they had on our NHS today. We will also be learning how nurses help us to lead healthy lifestyles

Science

Animals including Humans.

The children will be learning to

- *notice that animals, including humans, have offspring which grow into adults
- *find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- *describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

Art

The children will be learning about drawing.

- They will use different media to make marks with as well as using the different types of marks to create their own pieces of art.
- They will look at the artist, Poonac, who uses drawing as their art.

PSHE

Relationships

We look at lots of different relationships in our lives and how we can what qualities make them good relationships.

Year 2 Term 1A Learning Healthy Bodies and Healthy Minds

Sarah, a nurse who lives in Holywell, would like us to design a healthy sandwich which she could and her patients could eat. She would also like us to help design some exercises which would help keep her patients healthy and fit.

Music

Exploring Simple Patterns - How Does Music Help Us To Make Friends? The children will be learning to:

- develop a sense of pattern and learn to sing and perform a song

Geography

The Uk

The children will be learning about:

- United Kingdom - Human and physical features
- The countries that make the United Kingdom.
- The location of the UK on a world map.
- The capital cities of the UK, famous landmarks and the seas surrounding the UK.

PE

exercise and Pilates The children will be learning:

- how the body works, the benefits of exercise and how to develop and maintain a healthy, active lifestyle
- enhance core strength, control and fundamental motor skills, while working on static seated balance, static standing balance and dynamic balance.

Technology

Cooking and Nutrition

The children will be learning to:

- create a delicious and healthy sandwich for Sarah the nurse so she stays healthy.
- use different utensils safely to prepare their sandwich

Computing

Control and Algorithms using Scratch

The children will be learning to:

- explore a range of control devices
- give instructions in a sequence to make an object move on screen

R. E.

Lifestyles - Islam

We will be learning about the lifestyle of Muslims and comparing their values, how they worship and special events in their religious calendar to other religions.
