

Dear Parents/Carers

As you may be aware in recent years we have invested in legionnaire style caps for the children and sun cream for when we are blessed with good weather. **We would ideally prefer for all children to come to school in summer months with sun cream already applied.**

However, the children are given access to factor 30 sun cream for use at play time and lunchtime. The children are taught how to correctly apply it to themselves and are supervised by staff whilst they apply the cream to their arms, faces, ears and exposed skin. Along with wearing their legionnaires style hat (providing neck protection) we feel we are doing what we can to ensure the children's sun safety whilst in school.

As I am sure you will appreciate it is neither possible for feasible to supervise 170 children bringing individual bottles of sun cream for their personal use, so hopefully we have come up with a suitable answer to a difficult problem during the Summer months.

We trust that you approve of the efforts, however should you wish for your child not to use the sun cream provided please contact school or (if necessary) provide your own in a named bottle.

Many thanks
Mrs. S Brett
Head Teacher
