

From June 6th 2024 Dolce will be providing school meals to the children of Holywell Village First School.

Please take time to peruse their website:

<https://www.dolce.co.uk/education-catering/primary-school/>

The children will have a choice of main meal and dessert, however parents/carers must log into their child(ren)'s account in advance to order their preferred meal. Orders must be placed before the day in question to ensure your child receives their preferred meal each day.

Please see the sample menu's below:

https://media.dolce.co.uk/wp-content/uploads/2023/08/20113522/Dolce_Spring-Menu-2023_TRADITIONAL_BANC-SAMPLE.pdf

Parents/Carers will be asked to complete a form confirming their preferred contact details and email addresses to share with Dolce, who in turn will set up all children with a School Grid account with which to both order and for older children, credit the meal accounts.

A parent/Carer information leaflet is on our school website to view, this contains all of the information relevant to the meals and children's accounts.

If you have any questions regarding the new meal system, please contact the school office once Dolce's service has commenced and your enquiry will be directed to the best person to answer it.

Many thanks
