

I am pleased to be joining the Governing Body at Holywell Village First School as a Local Authority Governor. I have over 14 years' experience of working in Local Authority governance, with specific knowledge of the law and practices in relation to school admissions and exclusions.

I live in Northumberland and have two children currently in primary education. I am passionate about equality of access to education and school being a fun and safe environment for children to grow and learn.

In my spare time I enjoy playing cricket and going for walks with my family.
