

Angela Hall

I am proud to be Chair of Governors at Holywell Village First School and be part of the dedicated Governing Body and School team.

I have over 10 years experience as a governor and currently work in a local school as well as vast industry experience working for some of the larger north east companies, for example, Sage, Greggs and Grainger plc. My strengths include Admin, Marketing, IT, Project Management, Change Management and Operational Management.

We are extremely lucky to have such a wealth of knowledge and expertise in our lovely village school where the whole staff team strives to give our children the very best each day in school.

I enjoy living in Holywell Village and look forward to working within the school community.
