#### MAKING LEARNING AN ADVENTURE

As we approach the end of our first half term back in school, we thought it would be a great time to reintroduce ourselves to those of you with older children and explain our roles to those new parents.

**We are always looking for new members to help us achieve our fundraising goals.**

We started this half term with a pre loved uniform sale. We are always grateful of any good condition uniform donations, that we can sell on. It is an easy way you can help us to raise money. Our last sale made us £50! Items are priced from only 50p-£1. If you need any uniform at any point in the term, feel free to send us an email or drop us a message via our Facebook page.

The children enjoyed our first movie night of the year, to celebrate Halloween 🎃

We raised a superb £336!

There was also a fantastic response to our colouring competition. There were some brilliant designs and we could see the children had put a lot of thought and effort into them. This brought us an additional £35.50 to add to our total. A huge well done to all the winners.

Thank you all for your continued support last year. It is really appreciated by all of us!
