

At Holywell Village First School we have high aspirations for our children to become well-rounded and responsible future citizens. They are happy, independent and have positive self-esteem. Our children have a thirst for learning. They are curious about the world around them and are confident to 'have a go'. They are reflective learners who persevere and demonstrate good communication and social skills. They are thoughtful, caring and kind.

Academic Year: 2022-2023	Total fund allocated: £ 17130 Carry over from 2021-2022 = £520 = £17650 total spend: £16319 Unspent = £1331	Date Updated: July 2023
---------------------------------	---	--------------------------------

Key indicator 1: The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	Percentage of total allocation:
	"4599 = 26%

Intent	Implementation	Funding allocated:	Impact	Sustainability and suggested next steps:
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Evidence of impact: what do pupils now know and what can they now do? What has changed?:	
For all pupils, from Nursery to Year 4, to participate in 30 minutes +of physical activity per day	Supplement Yard equipment door 30 mins active £700 Additional equipment for EYFS - KS1 Sky Stepper Horse rider £3189 Inclusive toys -£500 School sports organising crew - Y 4J Tolson (release £150)	£4539	Pupils engage in 15 mins of structured physical activity per day once a morning break and once during lunchtimes	Work with School Sports organiser
For all pupils, from Nursery to Year 4, to participate in 30 minutes +of physical activity per day	Purchase Daily Mile equipment - flags/stands/markers	£60	Children engage in 10 minutes of daily running.	Once purchased - no further requirement - self-sustaining

At Holywell Village First School we have high aspirations for our children to become well-rounded and responsible future citizens. They are happy, independent and have positive self-esteem. Our children have a thirst for learning. They are curious about the world around them and are confident to 'have a go'. They are reflective learners who persevere and demonstrate good communication and social skills. They are thoughtful, caring and kind.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				£6600 = 37%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Use sport and physical activity to promote pupils' social moral and cultural development. To promote life-long healthy habits - cycling.	Holywell Village First School partner with Cycling Generation to plan and deliver a schedule of cycling activities. All Y4 pupils complete a skills session, two half day rides and a full day ride. The skill and fitness level required increased throughout the programme. All rides are completed within the area surrounding the school, so that children can access them outside of the programme. Get off stabilisers session for 4-6 years olds.	•Richard Rothwell Cycling £2500	Pupils ' confidence and competence on the bikes increased hugely . Their listening skills and ability to follow instructions has improved. Pupils have demonstrated excellent teamwork skills, as well as empathy and the ability to motivate and encourage their peers. Anecdotal evidence shows that the high % of children has continue their cycling activities into middle school.	Some of the allotted time was for Dr Bike session, so that pupils have bike which are safe and road worthy and can be ridden safely out of school hours, using the agreed routes ridden within school activities- and beyond. The cycling programme is only sustainable with continued investment.
To develop the three pillars of PE fundamentals from the very earliest age -nursery and reception classes: <ul style="list-style-type: none"> motor competence – knowledge of the range of movements that become increasingly sport- and physical activity-specific. rules, strategies and tactics 	Nursery and R children have participated in a programme designed to improve gross and fine motor skills. Initially pupils were assessed on their current ability levels, using a non formal play approach. Sessions were then manipulated to improve identified weaker skill areas, starting with	•Early Years motor skills programme: £3800	The children have shown that they have all enjoyed the sessions. The children now have a love of movement, they feel more comfortable moving. Movement and play have positive associations. By the end of the first term there was 100% engagement by pupils. Class	The motor skills programme will be sustainable over time through the production of resources and upskilling of staff.
